About this product

With the Ms.Zerone table footrest, we want to make your everyday life easier. To do this, our footrest features a non-slip structure, comfort and sturdiness. Relieve tired, aching feet with a footrest that offers optimum comfort all day long. Improve your posture and reduce back pain with the table leg riser, which offers an ergonomic position. The surface can be used with shoes, socks or bare feet, which also sets us apart from other footrests. And yet the footrest is easy to clean with a damp cloth. By using wood, we ensure that the Ms.Zerone desk footrest is a sustainable and environmentally friendly home office accessory.

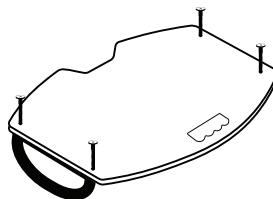

1

"Retournez le produit et posez-le sol. Placez les pièces latérales dans les rainures de manière à ce qu'elles s'emboîtent correctement."

"Turn the product upside down and place it on the ground. Insert the side leg parts into the grooves so that they fit securely."

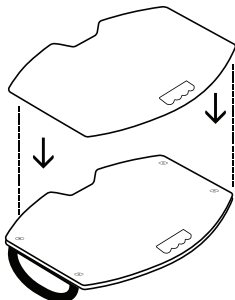

2

"Après cette étape, retournez à nouveau le produit et posez-le au sol. Fixez-le facilement avec 4 vis par le dessus."

"After this step, turn the product over again and place it on the ground. Secure it easily with 4 screws from the top."

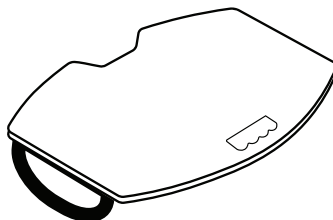

3

"Placez le matériau 'EVA adhésif' fourni avec le produit sur le dessus de 'Balance WOOD' et appuyez dessus pendant un certain temps."

"Place the 'Adhesive EVA' material provided with the product on top of the 'Balance WOOD' and press it down for a while."
